SUMMARY

Product Manager with 3+ years across enterprise platforms (28Cr+ users) and 0-to-1 ventures. Scaled Jio's Loyalty Platform from scratch — migrating 28Cr+ users via a custom gateway, shipping 6+ core features, and onboarding marquee partners (JFS, Tira). Now building a commodity-industry SaaS with a paying pilot customer, while running a healthcare services business at Rs.3L+ MRR.

EXPERIENCE

Blackhook Services

Dec 2024 – Present

Co-Founder & Product Manager

Dhule, IN

- Identified whitespace in commodity industry (oil, cement) via customer discovery interviews, validated problem-solution fit, and secured **paying pilot covering full product development cost** before MVP launch.
- Defined and shipped **SaaS MVP** for commodity pricing and order management — real-time SKU pricing, multi-user logins, and order booking — using **AI-tools (Antigravity/Claude Code)** at **3x dev velocity**.
- Launched healthcare-at-home services business (Urban Company model) covering nursing, physiotherapy, and elder care — serving **300+ patient visits** and scaling to **Rs.3L+ MRR** with **30% profit margin** in Q1.
- Owned **0-to-1 execution** as sole PM across both ventures — building ops platform, SOPs, hiring funnels, and scaling playbooks; leveraging **AI tools for customer research, content, and operational automation**.

Jio Platforms Limited

Dec 2022 – Nov 2024

Product Manager

Mumbai, IN

- Led migration of Reliance Retail's ROne loyalty program (**28Cr+ customers**) from legacy platform to Jio's loyalty stack via a custom-built gateway, achieving **zero customer-facing downtime** across phased rollout.
- Defined, built, and shipped the **loyalty gateway from scratch** — a single integration layer handling API calls from **22 enterprise partners** with diverse contracts, reducing **partner onboarding time by 60%**.
- Onboarded Jio Financial Services and Tira Treats loyalty programs **end-to-end** (scoping, integration, GTM), **expanding platform user base by 3L+** and driving feature adoption across **2 new Reliance verticals**.
- Launched **6+ high-impact platform features** (alternative rewards, RBAC, earn-points lock-in) and a white-label SaaS loyalty website, **lifting feature adoption rate by 35%** and improving **partner NPS from 38 to 52**.
- Spearheaded **subscription-based paid loyalty programs**, integrating payment gateways, billing engines, and invoicing systems.
- **Authored Jio's product playbook** with the CPO — codifying discovery, prioritization, and launch frameworks across product teams; partnered with **15+ engineers, 3 designers, and 22 partner orgs**.

FindUtsav

Feb 2020 – Feb 2022

Co-Founder

Pune, IN

- Built and launched FindUtsav (Android app) **from 0-to-1** — a platform connecting students with career events, hitting **3,000+ active users** and driving engagement through a seamless **3-click event creation flow**.
- Pivoted to **community-driven model** after user and market analysis, validating problem-solution fit through **cohort-level retention**, and scaled operations to **20+ medical colleges** with **12 volunteers and 4 leads**.

EDUCATION

Savitribai Phule Pune University

Pune, IN

Bachelor of Electronics and Telecommunication Engineering | CGPA: 9.23/10

Aug 2018 – May 2022
