Summary

Builder Product Manager with 3+ years across B2B SaaS growth & new-segment expansion (**Saleshandy**), enterprise platforms for **28Cr+ users** (**Jio**), and **profitable 0-to-1 ventures**. Pairs scoping and user research with **end-to-end UI/UX**, **AI-native prototyping**, and **hands-on code** (AI-built MVP, RAG tools).

Experience

Saleshandy (Ikigai Infotech LLP) Aug 2026 – Present
Product Manager (Product Strategy & End-to-End UI/UX) *Ahmedabad, IN*

- Unlocking a **win-back pool of 10+ churned agency accounts** (one now paying a competitor **$70K**) plus net-new agency acquisition by evolving a flat client label into **dedicated client workspaces** (isolated data, per-client usage caps); solo-designed 36 features & settings across **5 pages, 18 tabs, 11 dialogs & 5 full-page states**.
- Pitched, designed, and coded an **exit-intent 14-day trial capture flow** for high-traffic marketing pages — shaping, PRD, interactive prototype, and a **production PR raised within 24 hours** of founder approval.
- Designed & specced **Prospect CSV Import** (fixed **6 masked email-validation states**, unblocked call-only prospects), mailbox-disconnect safeguards & **Paste as Plain Text** (strips **30–40 KB** of Spintax-breaking HTML).

Blackhook Services Dec 2024 – Jul 2026
Co-Founder *Dhule, IN*

- Launched healthcare-at-home services business (Urban Company model) covering nursing, physiotherapy, and elder care — serving **300+ patient visits** and scaling to **Rs.3L+ MRR** with **30% profit margin** in Q1.
- Identified whitespace in commodity industry (oil, cement) via customer discovery interviews, pre-sold a **paying pilot covering full product development cost**, then defined and shipped the SaaS MVP — real-time SKU pricing, multi-user logins, order booking — using **AI-tools** (Antigravity/Claude Code) at **3x dev velocity**.

Jio Platforms Limited Dec 2022 – Nov 2024
Product Manager | ***Star Performer Award*** *(sole recipient, Jio Loyalty Platform team)* *Mumbai, IN*

- Led migration of Reliance Retail's ROne loyalty program (**28Cr+ customers**) from legacy platform to Jio's loyalty stack via a custom-built gateway, achieving **zero customer-facing downtime** across phased rollout.
- Defined, built, and shipped the **loyalty gateway from scratch** — a single integration layer handling API calls from **22 enterprise partners** with diverse contracts, **reducing partner onboarding time by 60%**.
- Onboarded Jio Financial Services and Tira Treats loyalty programs **end-to-end** (scoping, integration, GTM), **expanding platform user base by 3L+** and driving feature adoption across **2 new Reliance verticals**.
- Launched **6+ high-impact platform features** (alternative rewards, RBAC, earn-points lock-in) and a white-label SaaS loyalty website, **lifting feature adoption rate by 35%** and improving **partner NPS from 38 to 52**.
- Authored **Jio's product playbook** with the CPO, codifying discovery, prioritization, and launch frameworks.

Other Ventures & Projects

BoloDB & Smriti | *AI Tools* | github.com/HAAHIT/bolodb | github.com/HAAHIT/smriti Present

- **BoloDB**: natural-language-to-SQL AI tool; **Smriti**: building a RAG-based long-term memory framework for LLMs.

FindUtsav | *Co-Founder* | Pune, IN Feb 2020 – Feb 2022

- Built a **0-to-1** Android app for student career events (**3,000+ active users**); pivoted to a **community-driven model** validated by **cohort retention**, scaled to **20+ medical colleges** with **12 volunteers, 4 leads**.

Education

Savitribai Phule Pune University Pune, IN
Bachelor of Electronics and Telecommunication Engineering | *CGPA:* ***9.23/10*** *Aug 2018 – May 2022*
